CHURCH MATTERS.

Rev. J. T. Hoskins, of Elkton, has been called to the Baptist church here for next year and he has accepted the call, commencing the first Sunday in January.

The Methodist and Baptist congregations will meet together next Wednesday night for prayer at the Baptist church. Every member of both churches who can possibly attend is urged to be present. J. J. Dickey, pastor of Methodist church.

Incidental to the meeting of the Methodist Conference at Port Arthur, Texas, John W. Gates offered to give any sum between \$50,000 and \$100,000 toward the establishment of a Methodist University at Port Arthur, provided the church raised a sum equal to the Gates donation.

The bazaar given by the Ladies Aid Society of St. Peter's Catholic church, Lexington, closed after a week's session, with approximately \$5,000 cleared by the society on the venture. This sum is to go into the building fund of the church. Twenty-five thousand dollars have already been given to this fund by St. Paul's parish, the parent congregation. St. Peter's is the new parish recently created there. The Rev. Father William T. Punch is the rector. The parish plans to build a \$100,000 church and a rectory and other buildings to cost \$50,000 additional.

Liquor—It's Awful Work.

Carroll D. Wright, the great statistician, informs us that there were in one year 16,897 convictions for some kind of crime or misdemeanor in Sussex county, Mass., the county in which Boston is located; of this number 14,386 were caused by drink; as 14,386 is to 2,511, so is liquor as a producer of crime to all other evils joined together. This statement was made last year in Owensboro, Ky., and the jailer volunteered the information that he had in one department of his jail eight young men and of this number seven he knew were there through drink; in another department of his jail he had eleven young men, of which number seven were there through strong drink and possibly others. The jailer at Catlettsburg, Ky., said: I have 24 young men in my jail and every one of them is there through strong drink. Judge Chaney says that in all his life as a lawyer and judge he has been associated in the trials of 77 murder cases and of that number 76 (all but one) were either directly or indirectly caused by liquor.—Selected.

Forced Into Exile.

Wm. Upchurch of Glen Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infallible for Coughs and Colds, it dispels Hoarseness and Sore Throat. Cures Grip, Bronchitis, Hemorrhages, Asthma, Croup, Whooping Cough, Sore and St. trial bottle free, guaranteed by Penny's Drug Store.

NEW FIRM.—Mr. W. S. Fish, of Paint Lick, has bought a half interest in the insurance business of Mr. R. B. Mahony and will move to Stanford at once. Mr. Fish was formerly a traveling man and is well acquainted with the people of Boyle, Lincoln, Casey and Rockcastle counties and therefore needs no introduction in these counties, which comprises Mr. Mahony's territory. He is a hustler and the two will make a strong team. Mr. E. D. Pennington will look after the office while Messrs. Fish & Mahony are in the field. We understand that the firm is contemplating adding real estate to their business.

NUNNELLEY.—Yesterday morning at his home on Lancaster street, Mr. P. P. Nunnelley died at the advanced age of 79. He had been in declining health for the past year or two, but some weeks ago a slight improvement was noted in his condition. This was only temporary, however, and he gradually grew weaker until the end came. Deceased was one of Stanford's oldest and best citizens, and had been nearly all his life a resident of Stanford, though born in Pulaski county. Until a few years ago he was a stock trader, but had given up business on account of his advanced age. In 1856 he was united in marriage to Miss Mollie Tribble, of Madison, and to them were born two sons, Messrs. A. T. and James R. Nunnelley, of this place. Besides his wife and sons, he is survived by two brothers, Messrs. G. M. Nunnelley, of Henrietta, Texas, and L. B. Nunnelley, of this county, and one sister, Mrs. Amanda Harris, of Stanford. Mr. Nunnelley was a devout member of the Baptist church and on each Sunday could be found in attendance, and was in every way a most excellent man and will be greatly missed. He was a kind-hearted man and a more devoted husband and father never lived. His sons were devoted to him and they with the faithful wife did all in their power to make him comfortable and happy. At his late home to-day at 2 o'clock, Rev. R. B. Mahony will conduct the funeral services, after which all that is mortal of one of Stanford's best citizens will be consigned to mother earth in Buffalo cemetery. Peace to his ashes!

IN remitting for her paper to Aug. 1911, Mrs. J. Walter Brown, formerly of Garrard, but now living at Brad-dock, N. D., pays the I. J. this compliment: "Credit me with \$2 on the best and cheapest paper in the world." Mrs. Brown was Mrs. Butler Engleman, well known here.

WHAT'S NEXT.—A good crowd gathered at Walton's Opera House Friday evening to witness the amusing three-act farce comedy, What's Next, presented by local talent under the management of Miss Bertha Jackson, who took the double role of Polly Pook and Mary Ann Fogarty and acted them both most creditably. She is very much at home on the stage and far above the amateur in the management and direction of her company. Miss Salie Taylor Woods made a charming Rose Madder, while as Gertie Gush, an old maid, Miss Frances Cooper was exceedingly good. Miss Bessie Yantis portrayed Mrs. Wallace, a fascinating widow in search of a husband, with much credit. Dr. Charles Chintzer, was represented by Mr. L. Wearan Hughes, who played the difficult part splendidly. As Moses Madder, an artist, with an eye to business, Mr. John Owensley Reid showed himself a most capable actor. His was perhaps the heaviest part but he was fully equal to the occasion. Phineas Pook was the part assigned to Mr. Walter Milburn and he gave it most creditably. He made a fine member of the deestric school board and his make-up was so complete that few knew him. Zeph Somers, a rustic with "Injuns" on the brain, was well acted by Mr. Russell Brown, who has had considerable experience before the footlights. Elwood Totten, as Timothy Trenworth, a wealthy Texan, in search of his daughter, was A. I. Prof. Ernest Gibson, as Willy Nilly, the dudelet from Gotham, was very good and his efforts at courting very amusing. Hubert Carpenter represented Michael McGilp, a bold, bad policeman, and made a first-rate one. A number of boys and girls played school children in Act No. 1 and their efforts brought forth much applause. A vocal solo by Miss Nancy Yeager was greatly enjoyed. The entertainment was a most creditable one from start to finish and those who took part are deserving of hearty congratulation. They worked hard to make the show a success and right well did they succeed. About \$65 was cleared, which will go to the Christian Endeavor Society of the Christian church.

Mrs. Cowan C. Smith, aged 75, is dead at Richmond.

Fire which originated in the kitchen of George Theophilakos, a confectioner, at Galveston, Tex., caused a loss estimated at \$80,000.

George Dunlap, aged 23, son of W. G. Dunlap, of Lexington, committed suicide in his room at Chicago. A gas jet was open and an empty vial which had contained carbolic acid was found beside the body. His friends say he had been despondent for some time.

Goat milk is much richer than the
finest Jersey cow milk, and on account
of the healthfulness of the animal and
its practical immunity from tubercu-
losis, which affects cows, there is a large
demand for the milk, and at present it
commands a price of \$1 per gallon in
the cities. This milk can be produced
cheaper than cow's milk and it will al-
ways command a higher price.

BARGAIN.—354 acres of good land, of
which 100 acres is bottom land, eight-
room dwelling, two good stock barns,
new tobacco barn, 36x96, ice house,
buggy house, two corn cribs, etc., two

well watered, well fenced and lays
well. Will sell as a whole or cut 200
acres with improvements, to suit pur-
chaser, which includes 100 acres as fine
bottom land as there is in the county.
This is a bargain. See L. R. Hughes,

A special from London says: The en-
ormous figures of \$280,000 has been re-
fused for Bayardo, the champion Eng-
lish 3-year-old, and as far as turf his-
tory goes this is the record offer for a
race horse. Bayardo headed the list of
winning horses on the English turf with
a total of \$133,995, and as a 2-year-old
he made nearly \$67,000, which brings
his total figures to date to over \$200,000.
This, added to the price refused for
him now, leaves him the most valuable
horse ever foaled.

A Scolded Boy's Shrieks

The hog is used in his economical role
when he follows a bunch of steers in
the feeding lot. The hog is the savings
bank on the farm; he gleans in the
grain fields for the waste in harvest-
ing, also in the orchards for the fallen
fruit, and no other animal can fill his
place in services of this character.

PAIN

Pain in the head—pain anywhere, has its cause
Pain is congestion, pain is blood pressure—nothing
else usually. At least, so says Dr. Shoop, and to
prove it he has created a little pink tablet. This
tablet—called Dr. Shoop's Headache Tablet—
coaxes blood pressure away from pain centers,
restores the circulation, pleasantly and safely, gently
though safely, it really equalizes the blood circula-
tion.

If you have a headache, it's blood pressure.
If it's a painful period with women, same cause.
If you are sleepless, restless, nervous, it's blood
congestion—blood pressure. That surely is a
cure, for Dr. Shoop's Headache Tablets stop
it in 20 minutes, and the tablets simply distribute
the unnatural blood pressure.

Brulse your finger, and doesn't it get red, and
swell, and pain you? Of course it does. It's con-
gestion, blood pressure. You'll find it where pain
is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend
